

WhiteWater Ramble

ACTIVE SONG LIST

Updated periodically as new songs are added through client requests, band favorites, and crowd-tested live performances.

How to use this list

Couples are welcome to redline songs they do not want and highlight roughly 30 favorites to help define the overall vibe. The list is a starting point: the band shapes the final set around the room, the timeline, and the dance-floor energy.

We keep the party moving: WWR often uses medleys, snippets of songs, and seamless segues with little to no downtime between songs to keep the energy high and the dance floor engaged.
